The above signed applicant hereby makes application for a permit under all applicable codes and ordinances of York Township and hereby certifies, under penalties of perjury, that all facts herein are true and correct. The actual work will be performed in accordance with the above, and it is expected that the work authorized hereby will begin within 180 days. This permit can be revoked if its issue violates the township's codes or ordinances, or work does not begin within the specified time period. Once the permit fees have been paid, they are forfeited and will not, under any circumstances, be refunded.

*** To schedule a zoning, building or electrical inspection, **please call 717-428-5641, Monday through Friday from 7:30 AM to 4:00 PM for the inspection scheduling line.** At least a day's notice is needed to schedule the required inspections indicated on this form and any inspections later deemed necessary by the inspectors. Be advised, however, that during busy periods, time slots fill up fast, and there may not be any available opening unless you **call two to three days in advance.**

Inspections are performed Monday through Friday from 7:30 AM to 2:15 PM. Work shall not proceed beyond the point indicated without approval of the inspection. Work that has been approved must remain in place for all the inspections that follow. You may **call to cancel an inspection (two hour minimum) prior to inspection, without being charged for an extra inspection.** There will be an extra charge for additional inspections and re-inspections of failed work.
